Incorporated: 1746

Origin: This area was first a part of the 1673 Massachusetts Dunstable grant. In 1732, portions of Dunstable that were east of the Merrimack River and not annexed to Londonderry became Nottingham, Massachusetts. In 1741, following the establishment of New Hampshire-Massachusetts border, the town was incorporated as Nottingham West. Owing to confusion with the town of Nottingham in the north, voters petitioned to have the town renamed in 1830. The name Hudson was chosen because of its position near the point where the Merrimack River, once thought to flow east from the Hudson River, was found to come from the north.

Villages and Place Names: Hudson Center, Potash Corner
